

How to Assemble 'I See You' Kits

We at the San Diego Rescue Mission (SDRM) thank you for your interest in making 'I See You' kits. These kits, which contain useful and essential items for those experiencing homelessness, can be kept in your car for when you see someone who may need one, or you can intentionally hand them out to our vulnerable neighbors throughout your community. Each kit contains necessities, toiletries, socks, a snack, an area resource guide and SDRM admissions information.

There are (2) ways to help.

- 1. Hold a collection drive at your church or place of business for 'I See You' kit essentials (see below) and drop them off at the SD Rescue Mission. We will organize and put the kits together.
- 2. SDRM to provide zippered bags, socks and homeless outreach information. Volunteers to fill the 'I See You' kits with essentials and drop the completed kits off at the SD Rescue Mission. Or keep the completed kits and hand them out to those experiencing homelessness.
- 'I See You' kit essentials:
 - Snacks
