

HOW TO CREATE 'I SEE YOU' KITS

Thank you for your interest in making 'I See You' kits. We use them as a tool to have meaningful conversations with our unsheltered neighbors and to help meet their basic needs. Here are some basic steps to get you started:

1. Collect hygiene kit essentials from the list below.
2. Sort items and set up an assembly line to fill the kits.
3. Insert an SDRM admission cards into each kit.
4. Write an encouraging note to include as well!
5. You can hand out the kits yourself or donate them to the Mission!
