TOGETHER

WE CAN TRANSFORM LIVES

The San Diego Rescue Mission exists to see God transform the lives of those experiencing homelessness, impacting San Diego one life at a time. We believe we can decrease the number of people living on the streets, but it's going to take everyone working together. The President's Council is a unique group of major donors to the Mission who are engaged in solving the issue of homelessness throughout our county.

COMMITTED TO SAN DIEGO FOR OVER 70 YEARS

For over 70 years, we have been serving San Diego and addressing the needs of those experiencing homelessness. There has been a strong legacy of leadership as the Mission has moved from a soup kitchen to a state licensed, residential rehabilitation program, with transitional shelters throughout San Diego County.
